Phoenix there is much eletion that the Salt valley got away with first prize on down to Arizona. fine oranges over all the vaunted Cali-

foreia productions. The assessor writes from Nogales, At one time the merchants there held their Mexican dollars, in expectation of a rise and a profitable deal thereby. Bills came due, however, and Mexican silver did not realize as expected, and they unloaded. The wisdom of Tucson merchants who years ago changed from Mexican to American money may now Important Property Resumes Workbe fully realized.

OVER THE SANTA CRUZ.

A Bridge Wanted on the Hospital

The Matter to be Laid Before the Board of Supervisors, Next Session.

A bridge on the hospital road over the Santa Cruz is much needed and something looking to that end has been done of late. It is in the shape of of town, a mile west of the hospital. a petition to have the bridge construct.

The whole vicinity has been located, him your paper to read.

Dry washers are being built and will be ed and is signed only by taxpayers

and responsible citizens. The estimated cost of the bridge \$1400. The form suggested is of total length of 100 feet, with abutments at each end and in the center. The eight from the river bed would be we've feet, and the width of the bridge sixteen feet. Such a bridge would be high and dry from the floods, there seldom being six feet of water, saying

nothing of twelve. 'the board of supervisors will b asked to authorize the bridge and allow \$1200 toward it-or possibly less would Much of the work would be donat ed by farmers who would come in for benefits, they having agreed to put in five to fifteen days' work each, often with teams and tools. The Allison brothers will donate the use of their new pile driver. Others have promise each donations, two at least being \$100

In addition to the advantages recited in the following petition is one on bumane grounds. The hospital is for days, owing to floods, beyond communication with the city. Emergencies Yesterday was registration day for are limble to arise at such times, on the spring term at the university. Dr. which lives may depend on patients being got to the hospital and its facili

> The petition will be presented to the board of supervisors in a few days. It is as follows: To the honorable board of supervisors
